The 2020 Partner of the Year Awards: Acknowledge outstanding successes and innovations by partners in over 100 countries and in wide a variety of categories, all related to partner competencies, cloud technology, and entrepreneurial spirit.

Microsoft Inspire is where partners from around the world come together to create and strengthen connections, build their business, empower possibilities, and celebrate together. This is our opportunity to discuss strategy, innovation, differentiation, growth, and how we can best serve customers together, with inclusion and resilience at the center.

The event will be FREE to our partners, so there will be no registration cost. Corp expects a big increase in registrations numbers.

There will be no attendance targets.

Agenda for Inspire has not yet been shared.

POTYA - Partner Resources

The 2021 Partner of the Year Awards:

·Acknowledge outstanding successes and innovations by partners in over 100 countries and in wide a variety of categories, all related to partner competencies, cloud technology, and entrepreneurial spirit.

·Nomination tool: Closes on April 21

Partner facing resources:

·[Guidelines](#), rules and regulations, FAQ, tutorial will be found on [the Microsoft Partner of the Year Awards webpage](#) + [link to the nomination application tool](#)

·Winners and finalists will be recognized by Microsoft!

·Difference between global categories and Country Partner category:

·A partner can apply for any of **(one does not exclude another!)** these but the difference lies in who will judge their nomination:

- **Global award:** judged by a global panel from corp, against all other partners globally who applied (e.g., The new Community Response award)
- **Country Partner award:** judged by local champ/panel who chooses the winner for each country
